

# Johnson Air Products

is Representing **YORK**

Greetings,

As part of our continuing growth as a leading HVAC equipment supplier, we have entered a partnership with **Johnson Controls Inc.** Johnson Air Products is now the equipment agent in Oregon and SW Washington for York and Johnson Controls commercial branded equipment. This new relationship with Johnson Controls Inc. (JCI) will allow us to serve the industry in a much larger capacity.

In addition to the high quality equipment we are known for, Johnson Air Products will be representing the entire **York** branded line of Chillers and Air Handling equipment. Also included are **Johnson Controls** branded Heat Pumps, VAV boxes and Fan Coils.

We are looking forward to serving the industry with the product knowledge and customer service that you have come to expect from Johnson Air Products.

Please feel free to contact us at either the Portland or Medford branches for more details on this exciting new chapter in our company's history.

Thank You,

Johnson Air Products
